

Emily's Piano Album

Lyrics

Emily's Morning Song

When the morning light
gently rests upon your head,
and the dreams that you dream
dare to keep you in your bed;

open up your eyes,
let the day be-come your prize.

Whether gray skies or blue,
if your friends are tried and true,
it all de-pends on you.

And should the day begin
with the sun be-hind the clouds,
look for rainbows where you go,
to overshadow doubts.

The day will spring
into songs that summer brings,
if you'll open your heart
and let the sunshine through your eyes
with a light smiling brightly with your love.

Emily's Lullaby

Go to sleep,
my little child,
the sun has fled the sky.

Night has come,
the day is gone,
the years keep drifting by.

Whippoorwills
and nightingales
shall sing a soft refrain.

Go to dreams
until the sun
shall bring the day again.

Go to sleep,
go to sleep,
go to sleep.
